KEEP SPANKIN'

Dear JUST 18: I think your magazine is great but I have just one complaint: it does not come out often enough. If I had things my way there would be a brand spanking new issue of J18 for me to spank it to every single week. I'm so grateful that there are always so many different cuties in every single issue so that I can get a lot of use out of each one while I wait for the next one. I find myself able to jerk off to certain photos more than once. I especially like the pictures featuring two teens sucking and fucking one male. I guess that is because that is most similar to my private fantasy although I don't like to analyze myself too much. Please consider releasing new issues more frequently.

WINGING IT

Dear JUST 18 Magazine: How about running a set of photographs featuring five lithe blond slutlettes all wearing angel wings and nothing else? I realize that the angel wings may be burdensome for the models to wear, particularly during the sexual encounters, but I figure with enough time and a patient photographer and crew it could happen. And it would be worth all of the extra trouble and fuss, I say! Just imagine it—five golden-haired erotic little angels in full orgiastic splendor. It may even qualify for some sort of artistic recognition, if such a thing exists for pornographic photography.—Vin in MD

HELLO, I'M NAKED!!!

Dear JUST 18: I feel like in recent years the photographs appearing in your publication have changed a little. Unless I am mistaken, I seem to recall more elaborate sets and costumes. There almost seems to be stories told in some of the photos, as indicated by the props and the setting. Now most of them are sort of like "hello, I'm naked!" Not that I'm complaining, really. The nudity is why I am looking at your publication, after all. But sometimes I find myself wistfully remembering the gals dressed as nurses or cowgirls or school-girls. All I'm saying is that it might be nice for a change once in a while.—Larry in WV

IN PRAISE OF TEENAGED ASS

Dear J18: As a man who is utterly obsessed with the perfection that is the derriere belonging to a slim teenaged girl, I have to say BRAVO. I can declare with confidence that around 98% of the girls you have posing for you meet my strict butt requirements, which I will lay out for you:

- 1: No puckering or dimpling in the flesh of the buttocks themselves or the upper thigh area.
 - 2: A distinct curve must be apparent in the butt cheeks themselves, even if it is not overwhelmingly distinct. No pancake ass!
 - 3: An ass large enough so that the palms of my average-sized hands could fit comfortably upon each cheek and have enough meat to squeeze either before, during, or after intercourse.
 - 4: NO tramp stamps! They distract from the natural beauty and perfection of the ass by leading the eye up and away from it.
- Thank you for keeping this ass appreciator smiling.—Richard in TX

FAWNING OVER FAWNS

Dear JUST 18: Back when I was 18, I was so busy chasing after older women that I did not stop to appreciate the incredible appeal of chicks my own age. Now that I am older myself I would give a kidney to be able to take an 18-year-old lovely to bed and have my way with her. That's why I am so appreciative of what you do. I get to relive the youth I never had but should have had every time I rub one out to the fresh young fawns that you feature. My favorites are the ones who spread their legs wide open and hold their pussy lips apart with their fingertips while still managing to look all innocent in the face. How do they do that? It's pure poetry.—William in PA

JUST THE FACTS...

Dear J18: I love little Latin minxes! I wish that you showcased more young whores of color in your magazine! Fact: I have had sex with over 200 women of all ages and ethnicities and Latinas do it the best! Note: by "do it" I mean they know how to maneuver the muscles inside of their vaginas to squeeze tight around a cock and milk the semen right out! Fact: I enjoy sex with young women better than I enjoy it with older women, based upon aesthetic considerations alone! Fact: I am not Latin myself. Fact: Nor I am black. I am a middle-aged white male who is attractive enough to have had sexual relations with over 200 women and babes! Fact: I do not enjoy Latin food. Fact: I will eat out any woman who is emotionally prepared to have the orgasmic experience of her life! Fact: I prefer groomed bush to no bush, no bush to unruly bush and no bush to grey bush!—Robert in NJ

MORE THAN A DRAWING

Dear JUST 18: I am not very good at expressing myself verbally but I got to write in and say that I love that little redheaded gal who was on the cover a while back named Veronica I think it was? Anyhoo, That little gal with her full tittays and bright red hair well she reminded me of the little mermaid who I also wanted to fuck except she was part fish and had no pussy that I could make out and she was also just a drawing to boot.—Arik in WA

31959

My life is so awesome it should be illegal, thanks to my bestest gal pal Issy. She and I are totally inseparable, even in the shower! We take turns sudsing up our hot little bods and then rise off under the nice warm spray. When our girlie bits are all nice and clean well that's when the real fun begins! Issy would suck on my clit for hours if I'd let her. But after about a billion orgasms my cooter gets kind of sore! So then we switch and I eat her real good. Issy's favorite type of O happens when a toy is snug inside her twat so I use a dildo on her while she squeals with delight. She looks so crazy gorgeous when she cums! There's a mock cock for me, too, which usually gets stuffed up my bum. (Sore vage, remember?) Wowzers, I love Issy! She makes everything a ball. 🍆

The sexiest thing in the world is confidence and I've got that to spare. I know that everybody wants to get with me. And why not? I look good. Not only do I look good, but I feel good, smell good, and taste good, too. I want me all the time and I am ME, you know what I'm sayin'?

That's why I never get mad when guys try to kick it to me, or chicks give me jealous looks, or my friend's father "accidentally" bumps into me crotch-first. I completely get what they are going through—the ache they feel to put their mouth over mine, pinch my hard little nipples, squeeze my ass with both hands, lick along the length of my slit, stick a few fingers in to find my honey. I get it because I feel it too, that ache, every single goddamn day. Why do you think I masturbate so much? I mean, duh. **18**

HORNDOG'S NOTEBOOK

Twentysomething Jason hooks up with the eighteen-year old receptionist of his ninety-five year old psychiatrist. Is this a prescription for anxiety or erections???

“B” IS FOR BALLS DEEP!

BY JASON FERZITTO

I have a problem with anxiety. It's messed up my work life, and my current boss told me I'd have to go see a psychiatrist and deal with my issues, or I would lose my job. I was taking too many days off because I was too nervous to come to work. I'm an accountant for a chain of discount stores.

My company's health insurance had a list of shrinks I could see, and figuring one was as good as another, I went to Dr. Waldemar Lugofski, a strange old dude (he looked about ninety-five!) with a pointy beard and a mothball smell in his three-piece suits who got my antenna up the moment he called himself "America's Wildest Psychiatrist." Whoa, I thought, is this going to make my issues go away or get worse? Then again, there was something about his office I really liked—his receptionist. She was only eighteen years old and her name was Louise. That seemed odd, an old-school shrink having such a young assistant, but Dr. Lugofski explained in our single therapy session (I'm summing it up):

"Life, my young friend, is a mess of shit! People lie, cheat, steal, pretend they like you and squeeze your balls from the back! There is only answer: pussy, and plenty of it. Just because I'm ancient doesn't mean I've forgotten the fineness of females and the hope they can bring us! Avail yourself of my receptionist if you wish. She is an open young lady, eager to share her good energy with those who suffer from emotional pain! I only hire eighteen year olds, screw the labor laws! But don't worry, I'm not her pimp. She fucks not for her job, but it is out of the goodness of her heart that she practices. If she likes

you, your testicles will be delighted. Therapy is hereby concluded, young man!"

I stumbled out of the inner office. Louise was sitting at the desk. "Shall I arrange another appointment for you, Mr. Ferzitto?"

"Dr. Lugofski said therapy is concluded. He just gave me some good life advice and told me to act on it."

"What's your first move, then?" She looked up at me with her big eyes over sweet lips.

"I don't know, this has all made me more anxious than ever..."

"Let me ask you a question then, Jason. You don't mind if I call you Jason, do you? I was reading your patient intake form while you were in with Dr. Lugofski. Anyway, you're a very nice looking guy. I like older men—I mean, you're in your twenties, so you're older than I am. So here's my question: do you think there is something incomplete about my mouth?"

"No, it looks okay to me."

"Well, there is something missing. Let me give you a hint. It starts with the letter B."

"Um, I don't know," I said. "Starts with the letter B...how about, balm? Lip balm? Don't you girls wear that?"

"You silly, that's not the answer. Well, it's my quitting time now, so let's get a bite at my place and you can keep guessing."

"You're giving me a hint? B as in Baloney? You want a baloney sandwich?"

Louise and I left Dr. Lugofski's office and walked a few blocks to her apartment. She explained that her parents didn't like her much and so they put her up in an apartment far away from them the moment she graduated high school.

"Why don't they like you?" I asked as she made us some mini-pizzas with English muffins, tomato sauce, mozzarella and slices of pepperoni.

She popped them in the toaster oven and turned to me.

"They consider me sexually loose and an embar-

rassment to our neighborhood. Well, they're right. I am loose...if loving sex and life is looseness! They're the uptight ones!"

"Uptight like me? Coming to a shrink for anxiety problems?"

"But you're on the road to recovery now. Meanwhile, have you figured out yet what's missing from my mouth that starts with the letter B?"

We sat there eating the pizzas and washing them down with root beer. I still couldn't answer her question. When we were finally done, she said, "Okay silly, the answer is Boner! Your boner will make my mouth complete."

I thought to myself, no wonder her parents got her an apartment so quickly—Louise was clearly wild! But I didn't say it, because she was getting down on her knees in front of me there in her kitchen, moving my chair to the side so she could have better access to my crotch. And then she unzipped my pants and took out my boner.

Naturally, I had been hard almost from the moment we entered her apartment. I might have been an "older" man in comparison to her, but I'm obviously young at twenty-five and a quick hard-on is always happening, especially when a girl tells me she's been kicked out of her parents' house for being loose.

Young guys like me don't need Viagra, we just need to hear certain words like "loose" or "ready" or "wet" to get stiff!

Louise was right. Her mouth did look complete now with my boner stuck in there. And Dr. Lugofski was right too. If life was just a

mess of shit, I was doing exactly what needed to be done, getting pleasure for myself.

I watched Louise's tongue as she licked up from my balls to my tool's tip, then she opened her lips wide and swallowed me. Her head went all the way down to my balls, and then she worked her face up with a long wet slurp. Taking my cock in her hand with a big smile on her face, she then led me with my pants around my ankles into her bedroom. I shuffled along, enjoying her using my meat as a handle. When we got into her room, she pushed me down on the bed with a giggle and started taking her clothes off real quick, almost like she was in a cartoon. Then she tugged off my pants and pulled off my shirt and began kissing my nipples. If this was the best cure for anxiety, then I wanted to get anxious more often!

I found myself rising to the occasion in more ways than one. Oh, I don't mean my cock—that was stiff and wasn't getting soft

until she made it squirt. I mean, I felt more aggressive with a girl than usual, and I leaned over and French-kissed her and squeezed her boobs and went down on her pussy too. I wondered if my mouth looked more complete because it was filled with her plump shiny pussy meat?

We got into a sixty-nine for awhile, but then Louise wanted to feel my cock in her pussy and told me to cover her with my sexy body and put it in. Maybe this is why I'd been anxious in my life—I couldn't recall the last time a girl had referred to my "sexy body." Well, I'd been living too much like a hermit, just working and going home. That was going to change. Louise had set me on the right course.

I lay on top of her and slid my cock into her pussy, real slow because it had been awhile since the last time I'd "got some" and I wanted to feel every smooth wet millimeter of her. When I was in her to my balls, she smiled and put her hands on my ass-cheeks and said, "And B stands for Big Boy, too. Why've you been anxious, handsome? You got a lot to offer a girl!" And with that she smacked my ass and I started banging her deep and fast. Our hands clasped as I lay on top of her, fucking her like crazy, looking at her sexy hard nipples, but I wanted to see her cumming first so I held off as best I could until finally she let out little gasps and pressed the side of her face into the pillow and began to cry out in pleasure. Then when she was done she looked me right in the eyes and said, "Cream it, cream it!" and that's when I lost it all—my cum, that is. I didn't lose my mind, though, and I was smart enough to spurt my burst all over her tummy and tits instead of inside her babymaker. That kind of anxiety I didn't need.

"Wow, B stands for Balls-Deep too!" I laughed, looking down at her. She laughed and began playing with the strings of my cum. In a few minutes we started fucking again.

Anxiety? Not for me anymore. I was on the road to recovery with every squirt I shared with remarkably loose Louise!

LAURA,

KRISTEL &

DANIEL

32110

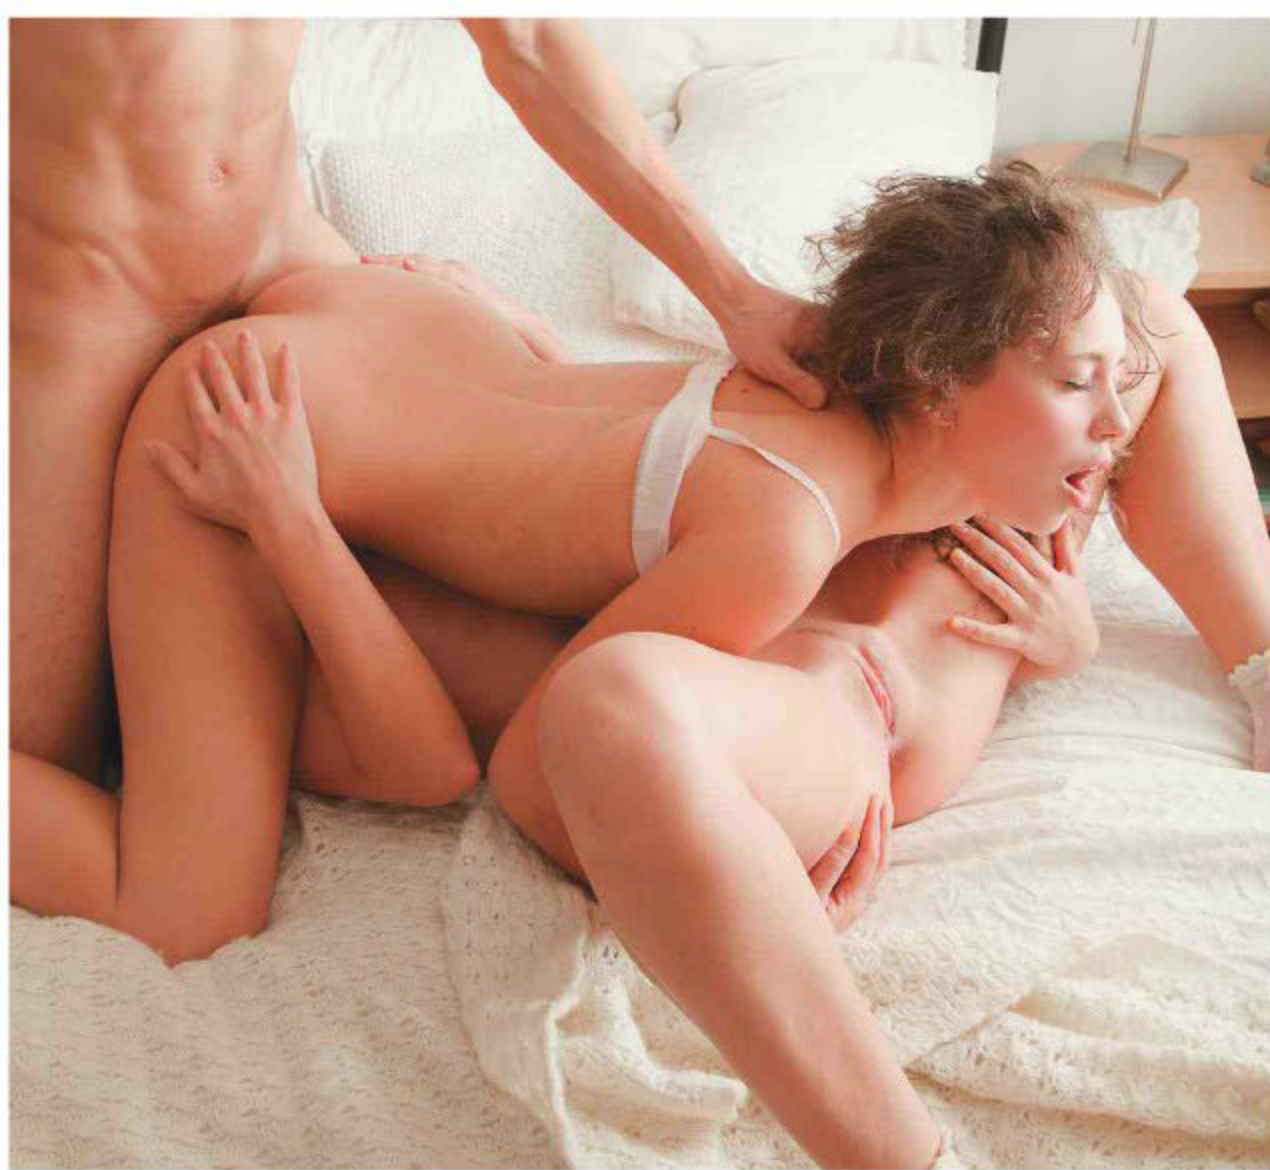

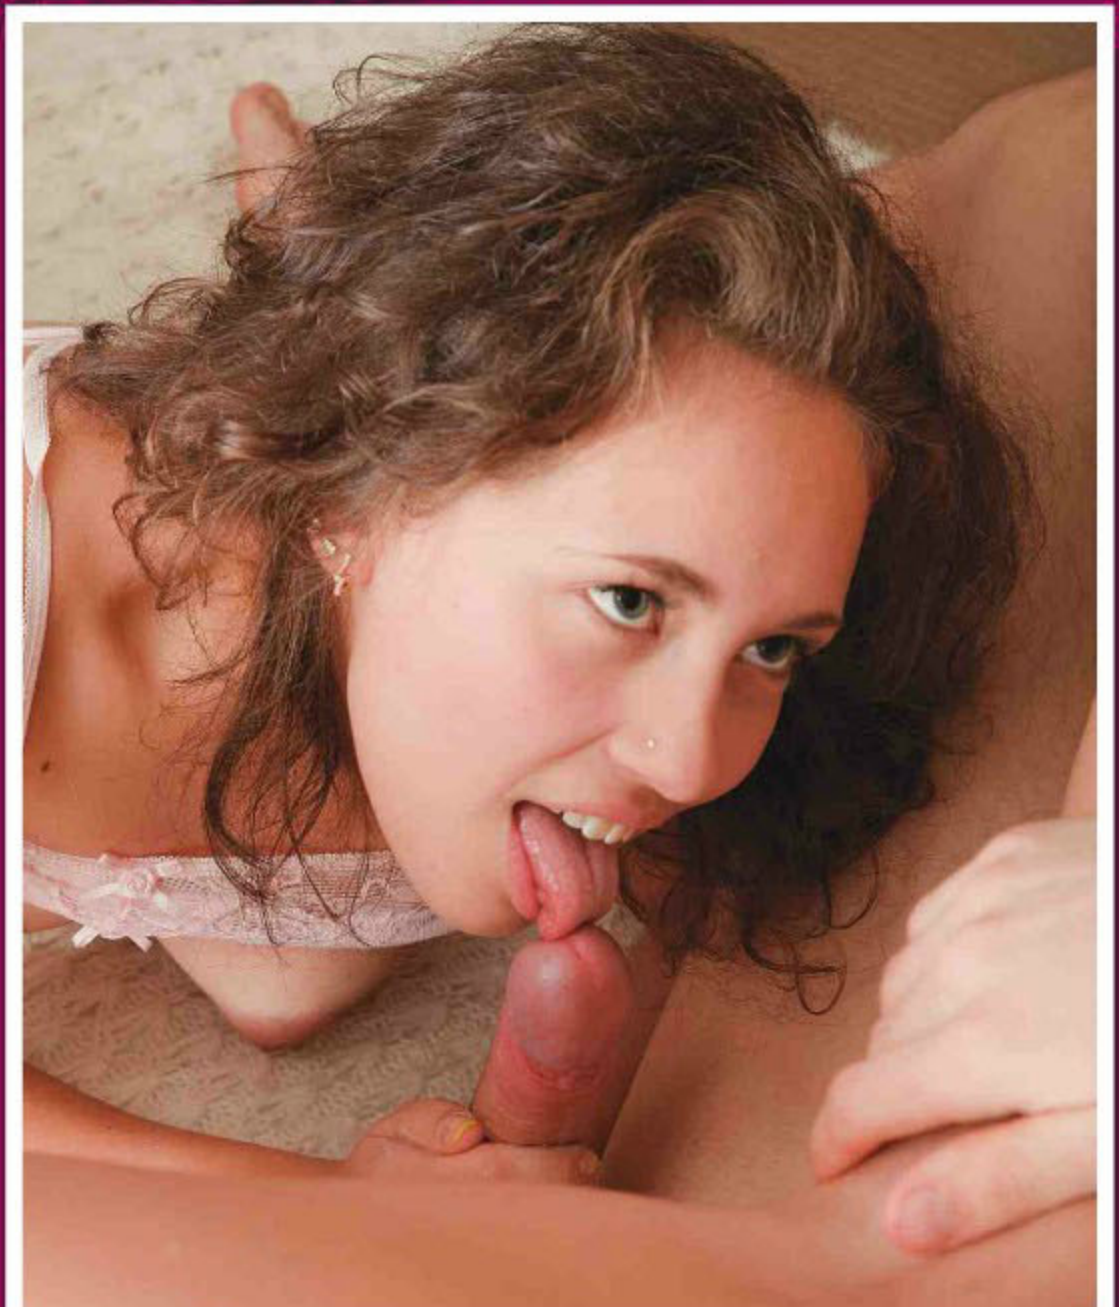

People are always asking me, "Laura, do you prefer boys or girls?" and I never know quite what to say. I mean, why should I have to choose one over the other? Girls, like my friend Kristel, are so yummy. She is soft and silky to the touch and she gives me the sweetest orgasms with that feathery tongue of hers. Boys, on the other hand, are more angles and thrusts. Daniel, my fuck buddy, is hard and muscular and I love the way he devours me with such lusty ferocity. He causes my orgasms to explode from deep within, and they leave my thighs quivering for hours afterwards. The ultimate is when the three of us make it together and I can enjoy both of them at the very same time. I have no problem sharing and being shared, there is plenty of sticky bliss to go around.

JUNE

I happen to be very optimistic by nature so as far as I'm concerned, my pussy is always half full. Which means that I can be on my way to O-town in a jiffy, whether or not there's a warm stiffy available to guide me. Even when I'm at my absolute horniest and I've called every dude I can think of to beg him to come over and fuck me and not a single damn one of them picks up his phone, well even then I do not sink into an orgasmless funk. That's when I trot out the penis-shaped toy I keep on hand for just such emergencies. That plastic prick fits inside of me so well it's like it was cast inside my cooch! How can a girl feel down when she's got a fuckstick calibrated for her own personal privates? A positive attitude is the key to a killer climax.

RITA

TIM

32408

When my boyfriend Tim asked for my anal cherry I was like, "hell no!" That kid is so hung that when we do it the regular way I have to do major pre-sex preparations, like flick my bean for an hour straight, to get myself all relaxed and ready to take on his monster schlong. He also eats me out like a champ (I'm talking butthole and everything) which helps with the elasticity of my cunny. So finally, one day I was like "what the hell?" and gave him the green light to go 'round back. He banged out my box nice and slow first, and while I was mid-climax he plunged balls-deep between my cheeks. It felt so much better than I was expecting and so I backed up on him like a buttfuck pro. That excited him so much he pulled out and popped on the spot. Now I'm the one always asking for anal.

Kari

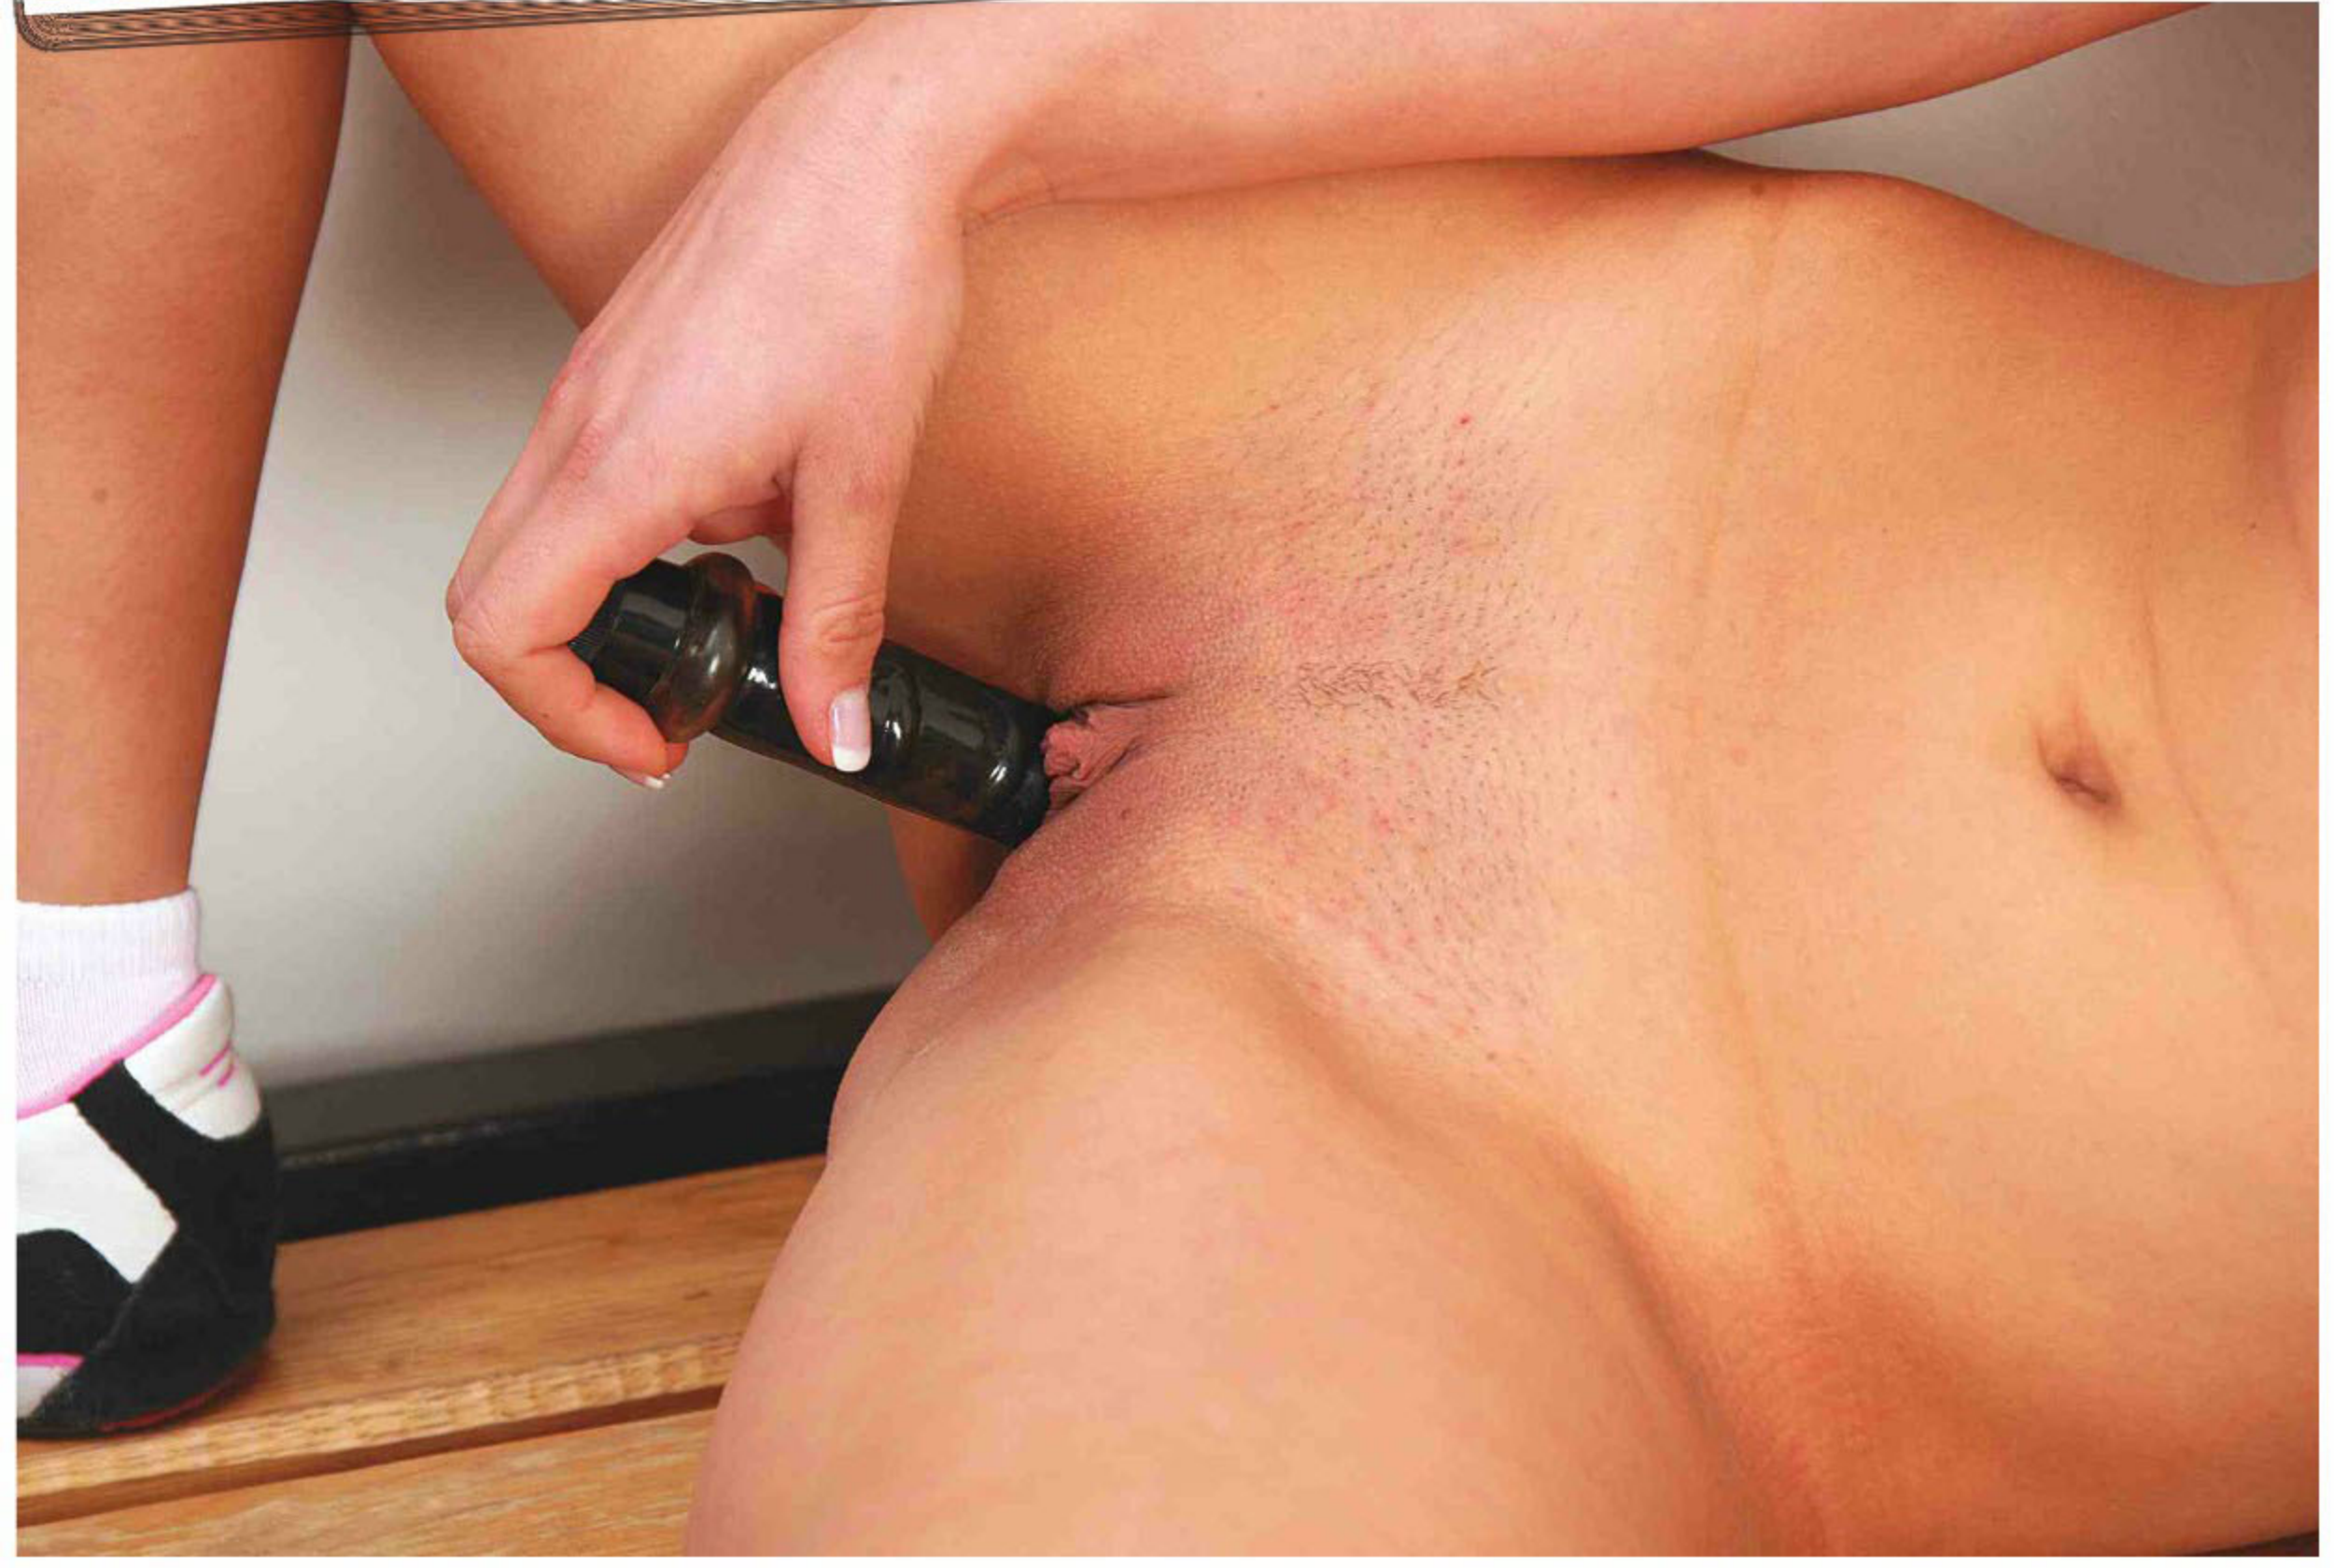

Basically, I'm a very easygoing kind of girl. I like to keep things simple, especially pertaining to my puss. My most meaningful masturbatory moments involve a couple of spit-soaked fingers and a slender black dildo. I don't have much use for magic wands, rabbits, or ben wa balls. Who the hell is Ben Wa, anyway? Same goes for the setting—as soon as I decide it's sexy time, it doesn't matter much where I am. Sure, scented candles and soft music make any situation nicer but I can squeeze out as intense an O without all those extras. Gimme a bench if you've got one and like five minutes alone... No bench? No problem! I'm just as happy to stroke my kitty on the floor. Here's the truth—when I'm in the throes of a really colossal O, I want no distractions from its toe-curling goodness. Let other girls keep their kinky accoutrements—me and my clam are happy to make a muss with less fuss! **i8**

GLORIA & THOMAS

78 JUST EIGHTEEN

My college boyfriend, Thomas, is super sophisticated. Not like the boys I knew back in Iowa! He's from New York, has a neck tattoo, and knows how to play chess. He's teaching me how to play, but it's hard. He's teaching me other stuff too, important sex stuff that I didn't know because I was a virgin before I met him. He says it's sexier to let my bush grow rather than shave it bald like I used to do. He says that's the way women wear their pubes in Europe. The best sluts come from Europe, according to Thomas. He's trying to teach me to suck cock like a Parisian whore and tells me to use tons of spit and to swallow him way down my throat. His cock feels OK in my mouth, but it feels even better inside of my fuzzy muff. I love humping Thomas! I am so lucky I met him! **i8**

Jessica Rennie & Pete

I'm only eighteen, but I've been around the block. Like, literally. Right around the corner from where I live is a warehouse run by these two mega hunks, Rennie and Pete. Sometimes I wander over there and let them fuck me on their lunch break. They only have 30 minutes, so I do them both at once. These dudes are ass obsessed so aside from a few licks to get my juices flowing, my vajay rarely gets any love. That's fine by me, I happen to dig the feel of cock inside my bunghole. My pie hole gets a good workout too since my tushie can only handle one of their colossal meat poles at a time. My favorite part is when they can't hold back anymore and so they squirt their thick, hot loads all over my face. I really give these two a reason to whistle while they work.
